- 1 QUALITY:** At View Eye Care we only carry frames and lenses that meet our high quality standards for both fabrication and materials. You can feel confident that any pair of glasses purchased from our dispensary will hold up to the rigors of regular use.
- 2 VALUE:** Good value is when you receive high quality at a fair price. Our prices reflect the quality and workmanship of our eye wear and are very competitive with most optical retailers.
- 3 EXPERT ADVICE & SERVICE:** Our knowledgeable staff will take the time to give you personalized advice and recommend the best products to suit your unique lifestyle and visual needs.
- 4 SELECTION:** We have a large selection of frames from conservative to avant garde and we will help you select the frame that looks best on you and accommodates your prescription. If we don't have something that catches your eye we will do our best to order in the frame you are looking for. We also offer prescription & non-prescription specialty/sport specific eyewear for golf, swimming, skiing and cycling and certified safety goggles.
- 5 LENS OPTIONS:** Every prescription requires a perfectly customized lens. We will explain the options and their benefits and recommend the best lens design and treatments for your prescription and lifestyle needs. All of our lenses come standard with anti-scratch and anti-glare coatings.
- 6 MEASUREMENTS AND ADJUSTMENTS:** The prescription given to you by your doctor is only a portion of the information needed to accurately fabricate your new eyewear. During the dispensing process a variety of measurements are taken based on the frame selected, to ensure that your new glasses fit properly and give you optimal vision. Frame adjustments, replacement nose-pad and screws, and "tune-ups" for eye wear purchased from our office are always free of charge.
- 7 WARRANTY:** We take the worry out of buying glasses. View Eye Care will replace frames and/or lenses once if they become damaged through normal use within one year of purchase.
(Hairline scratches with no effect on vision are excluded.
Ask our staff for more details.)
- 8 HAPPINESS GUARANTEE:** We want you to love your new glasses. If you are having any difficulties with your glasses we will remake, exchange, or refund you for them within 30 days of pick-up.
